**Summer Recreation will begin Wednesday, July 20, 2022 at the Eagle Lake Recreation building located at 24 Devoe Brook Road in Eagle Lake.**

**Summer recreation will begin at 8:00 a.m. Monday- Friday and will last until 12:00 noon.**

**Sign up will begin at 7:00 a.m. Wednesday, July 20, 2022 at the Recreation Building and last until all children present are signed up.**

What to Expect for Summer Recreation 2022:

Dear parents and guardians,

As a long-time resident of Eagle Lake, I know the importance of activities for kids. The recreation program is an exciting way for kids to socialize during the summer months. I find it gives the kids something to look forward to. Which is why I would like to introduce myself as your Summer Recreation Director.

I am Bailey O'Brien and I have lived in Eagle Lake for some time now. I even went to elementary school here! I have a big cattle dog named Cedar. I graduated in the class

of 2020, and you can guess how that went! Now, I am a biochemistry major looking forward to medical school. I am thrilled to get to know all the parents, guardians, and kids who will be joining us for summer rec. Myself and our assistant, Ashley Hall, are looking forward to the challenge of making this a great summer.

Below you will see a rough idea of what Rec will look like this summer. We also warmly welcome any questions and suggestions you may have.

**\*\*Please be aware that we will need volunteer drivers in order to make these happen. There may be a small fee attached to some outings. More information will be coming\*\***

### Matinee Day

We will be traveling to Fort Kent for a screening of a Disney movie, popcorn, and Drinks

### Hedgehog Mountain

The Rec program will go up to Hedgehog mountain and hike the trail, followed by a picnic.

### Pontoon Boat Day

The kids will be guided on a boat ride guided by Old Mill Marina who have generously volunteered their boat, time, and man hours.

### Open Swim

We will do open swim at the beach. I am personally CPR certified and we are open to parents who would like to help out!

### Outdoor Safety and Guided Woods Walk

We are excited to help our kids learn all about the local forest, with the help of a forester. They will spend some time outside learning all about identifying things in

our environment, as well as learning what foresters do!

### End of Summer Bash

We are planning an end of summer celebration with the help of some local sponsors. There will be a cookout, games, open swim, slip n slide, and superlatives!

In addition to these, we will also have regular sports and arts and crafts. An example of these sports; tennis, kickball, soccer, corn hole, hiking, basketball, and dancing.

Our crafts are made to promote learning through creativity, while our sports encourage connecting to the outdoors and explore healthy activity habits.

We look forward to seeing you!

Sincerely,

Bailey O'Brien

Recreation Director Town of Eagle Lake
